Shawn;

I wanted to extend my thanks for the excellent cost segregation analysis that you provided for my client's buildings. He had looked at taking accelerated depreciation before, but not from an in-depth, engineering based perspective like Ambrose provided. Your service provided my client with hundreds of thousands in accelerated depreciation benefit that he, otherwise, may not have uncovered.

Very few processes in this business are "no-brainers" but yours is one of them and I will recommend your services to all my clients. Thanks again, keep up the good work and Merry Christmas.

Sincerely,

Jim Gibson
